ADMISSION INSTRUCTIONS FOR TRANSFER-IN

We are glad you are interested in applying to Pacific States University and want the application process to be as easy as possible. Please read all instructions carefully. If you have any questions, don't hesitate to contact us.

If you are currently studying in the United States or engaged in Optional Practical Training (OPT), your current academic institution must release your I-20 in SEVIS (the Web-based data collection and monitoring system) before PSU can issue an I-20 for study at PSU. In order to continue your studies in the United States and transfer to Pacific States University, you must follow the steps outlined below.

Admission Process

I. Notify Your Current School

Notify your current school of your intention to transfer to Pacific States University by submitting the **"Transfer-In Status Verification Request"** form.

II. Apply

Mail out or bring in person the completed **"Transfer-In Status Verification Request"** form along with admission's required documents and payment. To receive the earliest consideration, an applicant requiring an F-1 Visa should submit an application and supporting documents according to the following schedule:

Applying for	Documents should be received by
Fall	September 1
Winter	December 1
Spring	March 1
Summer	June 1

NOTE: We do not accept applications by email! You need to mail your application and all supporting required documents to our mailing address:

PSU Admissions
3424 Wilshire Blvd, 12th Floor
Los Angeles, CA 90010

Contact Information:

- You must provide a valid e-mail address when you submit your application. All communication directed from the Office of Admission to international applicants is conducted via e-mail.
- You must provide your permanent address in your home country. This information is required even if you currently reside in the U.S.
- You must provide your current mailing address (if it is not the same as your permanent address). If you are currently outside the United States, do not provide the address of a friend or relative living in the U.S. as your current address. This will delay the processing of your application.

III. Admission Granted Or Denied

Once the PSU Admissions Department receives all of your application documents, fees, and your application packet is complete, an Admissions Officer will begin to evaluate your file for admission. You will receive an email once an application and all supporting documents have been received by the Admissions Office (allowed approximately three to four (3-4) weeks for processing time). After your application is processed and admission is granted, the student needs to pay the US **\$2000 commitment fee** in order to receive an acceptance letter and **"Transfer Release" form**. When your documents are ready for pick up, we will contact you via email and or phone.

IV. Submit To Your Current School

You must submit an acceptance letter and the "Transfer Release" form to your current school by having them fill out and bring the completed "Transfer Release" form to PSU. This form will allow PSU to transfer your SEVIS information. Once your SEVIS information is released to PSU, we will then be able to create a new I-20 for you to study at PSU!

V. Register

You must register at PSU no later than the first day of the start of the specified quarter mentioned in your acceptance letter. We recommend registering during the pre-registration period, when the registration fee is waived and classes are OPEN.

VI. Receive Your I-20

Between the 3rd and 4th week of the quarter, please come to the Admissions Office to get your original I-20. We look forward to receiving your application and assisting you through the process.

Status Requirements

In order to remain eligible in student status you must:

- Attend the school you are authorized to attend on your I-20.
- Carry and complete a full load of courses at least 12 units if you are an undergraduate and 8 units if you are a graduate student for each quarter.
- Maintain a valid passport at all times.
- Have a valid I-20.
- Obtain permission to extend your I-20 as needed.

Due to the Immigration Reform and Immigrant Responsibility Act of 1996, it is of outmost importance that all students maintain their F-1 visa status. Beginning April 1, 1997, persons unlawfully in the U.S (out of status for 6 months) are barred admission to the U.S. for 3 years. Persons out of status for 1 year would be denied admission to the U.S. for 10 years

DEGREE EVALUATION AND VERIFICATION INFORMATION

If you have received a degree from an institution outside of the United States you are required to complete degree evaluation and verification, please read the following instructions:

- **All transcripts from countries outside of the USA must be verified and evaluated** indicating that the coursework is comparable to United States educational standards. (Except for ESL program students.)
- The foreign degree evaluation and verification process must be completed **before the student is officially enrolled** at PSU. Failure to complete the verification process in the allotted time may result in delayed admission or deferral to a future term.

An applicant must submit original diplomas and transcripts with certified translation into English to an independent transcript evaluation service that is a member of either the [National Association of Credential Evaluation Services \(NACES\)](#) or the [Association of International Credential Evaluators \(AICE\)](#). A list of the agencies and instructions for submissions can be obtained from an admissions officer.

PSU recognizes the **International Education Research Foundation (IERF)** and **World Education Services (WES)** as providers of evaluations and verifications of prior international degrees. You can always use any NACES or AICE recognized evaluation agency. Details about their services, including application forms, fees, and required documents are available at www.ierf.org and www.wes.org

Please start the process as soon as possible to avoid delays in your admissions process.

INSTRUCTIONS FOR COMPLETING CERTIFICATE OF FINANCIAL SUPPORT

(Overseas International F-1, Transfer-In F-1, Change of status to F-1 applicants)

U.S. Immigration Regulations require a school to certify on Form I-20A-B that nonimmigrant F-1 students have provided proof of financial responsibility for the duration of their student's status in the U.S. Due to federal regulations restricting work authorization, most international students should not expect employment to be a significant means of financial support while studying at Pacific States University.

Therefore, international students must provide proof of sufficient funds to pay for all expenses at Pacific States University for **the first academic year**. However, sponsors should certify that funds will be available for each year of your program at PSU. The Certificate of Eligibility Form I-20 will be issued only after this form has been received with the requested financial documentation, approved, and you have been offered admission.

Step 1: Determine the Costs of Your Program of Study

There are different costs for each PSU program of study. Please find the minimum required amount for proof of funds. If you are international students, you are required to submit proof of funds **for the first year**.

Table.1

	Undergraduate	Graduate
Estimated Expenses for the First Academic Year (Required for International students holding F-1 visa status)		
Minimum Required amount for the Proof of fund	\$27,635	\$19,295
Dependent Expenses (if any) (addition to the above required amount)	<ul style="list-style-type: none"> ● \$6000/y for the first dependent ● \$2,000/y for each additional dependent 	<ul style="list-style-type: none"> ● \$6000/y for the first dependent ● \$2,000/y for each additional dependent
Tuition (only) before Transfer Credit for Entire Program		
Total (Prerequisite Courses <u>Excluded</u>)	\$62,100	\$21,280 (MS) \$22,800 (MBA)
Total (Prerequisite Courses <u>Included</u>)	\$62,100	\$24,040 (MS) \$28,320 (MBA)

****The total estimated costs may be varied depends on each student's background.**

Note: The University reserves the right to change at any time, without prior notice, tuition, fees, or other charges.

Step 2: Complete the form

After you have determined the cost of your program of study, please fill out the [Certificate of Financial Support form](#).

Section 1. In this section, applicants need to fill out this section, including personal information, financial support amount under appropriate sources. If an applicant has more than one sponsor, a bank letter (proof of fund) and a Certificate of Financial Support Form must be submitted for **EACH** sponsor. It must be signed and dated by the applicant.

Section 2. The Sponsor needs to complete this section. If you are sponsoring yourself, you still need to complete this section and write "myself" under relationship to application field. It must be signed and dated by the sponsor.

Section 3. The bank official of the sponsor's bank needs to complete this section. It must be signed and dated by bank official. (If the bank official refuses to complete and sign this section, you may attach a bank letter as a proof of fund).

Step 3: Gather Supporting Financial Documents to Attach to the CFS Form

All supporting financial documents must be in English or accompanied by a notarized English translation showing available liquidable funds. Proof of property ownership is NOT sufficient evidence of fund availability.
